January 2012

Dear Parent/Carer

I am writing to introduce myself as the new Headteacher of Withernsea High School and would like to take this opportunity to wish you all a Happy New Year. Since being appointed and during the first few days of term I have been impressed with the warm welcome I have received from staff and students alike and it is a real privilege to be entrusted with the role of leading the school.

In my welcome assemblies I shared with students my expectations of them; notably that they aspire to be successful and use every opportunity the school provides to learn and achieve success. I also reminded them of our routine expectations to be punctual in school, in full uniform, with the correct equipment and focused on learning and making a positive contribution. I would be grateful for your continued support in achieving this.

For our school to become truly outstanding it is vital that a strong and positive partnership exists between students, staff, parents and the community we serve and I am determined to build on the partnership that already exists. In starting this process I have arranged an informal 'Meet the Headteacher' evening on Monday 23<sup>rd</sup> January 2012 at 7pm in the main hall where I would like to share with you my aspirations for Withernsea High School.

In order to make the necessary arrangements I should be grateful if you could complete and return the reply slip below to indicate if you will be attending the evening.

Finally, can I also take this opportunity to formally thank Dr Ireland for all her hard work and service during her 22 years at the school and for the leadership she has given as Headteacher for the past 7 years. I would also like to thank her personally for the time and support she has given to me in the build up to me joining the school.

I look forward to leading the school towards a successful future and I am very much looking forward to working with you all to achieve success for your children.

Best wishes

Richard Williman
